UPPER HUNTER CBD SHOP FRONT ASSISTANCE FUND Guidelines and Application Form

Aim

The Upper Hunter Street Shop Front Assistance Fund is an initiative of Upper Hunter Shire Council. The fund has been established to provide one-off assistance to local businesses to improve the street presence of individual business premises, and in turn contribute to the overall appeal of the streetscape of major town central business districts.

The Upper Hunter CBD Shop Front Assistance Fund will contribute a one-off allocation of up to \$500 ex GST (or 50% of project costs - whichever is the least) per standard 15m shop front towards improving the shop fronts of CBD businesses.

Applicant Eligibility

Owners of business premises in Aberdeen, Merriwa, Murrurundi and Scone CBDs are eligible to apply.

Businesses operating in leased premises are eligible to apply but must include written approval from the owner for the work specified in the application.

Projects that contribute to the repair, maintenance and conservation of the CBD facades, awnings and features of town business premises will be eligible for consideration. Projects can include structural work through to final painting of projects.

Applicants will receive written confirmation of their application, and will be advised within four weeks on the outcome of their application.
