	Company:					

**NOTE:** The applicant **MUST** provide documentary evidence that they have Public Liability Insurance coverage of not less than \$10 million and Upper Hunter Shire Council has been endorsed on that policy as an "Interested Party" before any approval can be given.

**Conditions of Approval**

- 1 The appropriate stock permit must be obtained from the Livestock Pest and Health Authority and a copy of this forwarded to Council soon after receipt for this permit to become valid;
- 2 The applicant shall abide by all the provisions of the Rural Lands Protection Act 1998 and Rural Lands Protection Regulation 2010
- 3 The applicant shall display the required signage;
- 4 The permit holder must produce a copy of this permit to authorised Council officers when required to do so;
- 5 Upper Hunter Shire Council reserves the right to terminate the approval at any time within the permit period;
- 6 Any stock that die or are injured must be removed from the public road reserve within 24 hours;
- 7 Upper Hunter Shire Council will not be liable for any damage to persons or property due to any incident occurring whilst the stock are located within the road reserve;
- 8 The permit holder will accept all risks associated with the grazing of stock on a public road and make good any damage to roadside furniture and/or adjoining fences.

**I have read, understood and accept the above conditions with regard to the grazing of stock on land under the control of Upper Hunter Shire Council.**
