

UPPER HUNTER SHIRE YOUNG ENDEAVOUR SCHEME 2017/18

NOMINATION INFORMATION

A VOYAGE ON THE YOUNG ENDEAVOUR

A voyage on the tall ship Young Endeavour is a voyage of a lifetime. The successful nominees will spend eleven days with 23 other young Australians, learning not only how to sail the ship, but how to work together as a team. They will get to see spectacular parts of Australia many others never see.

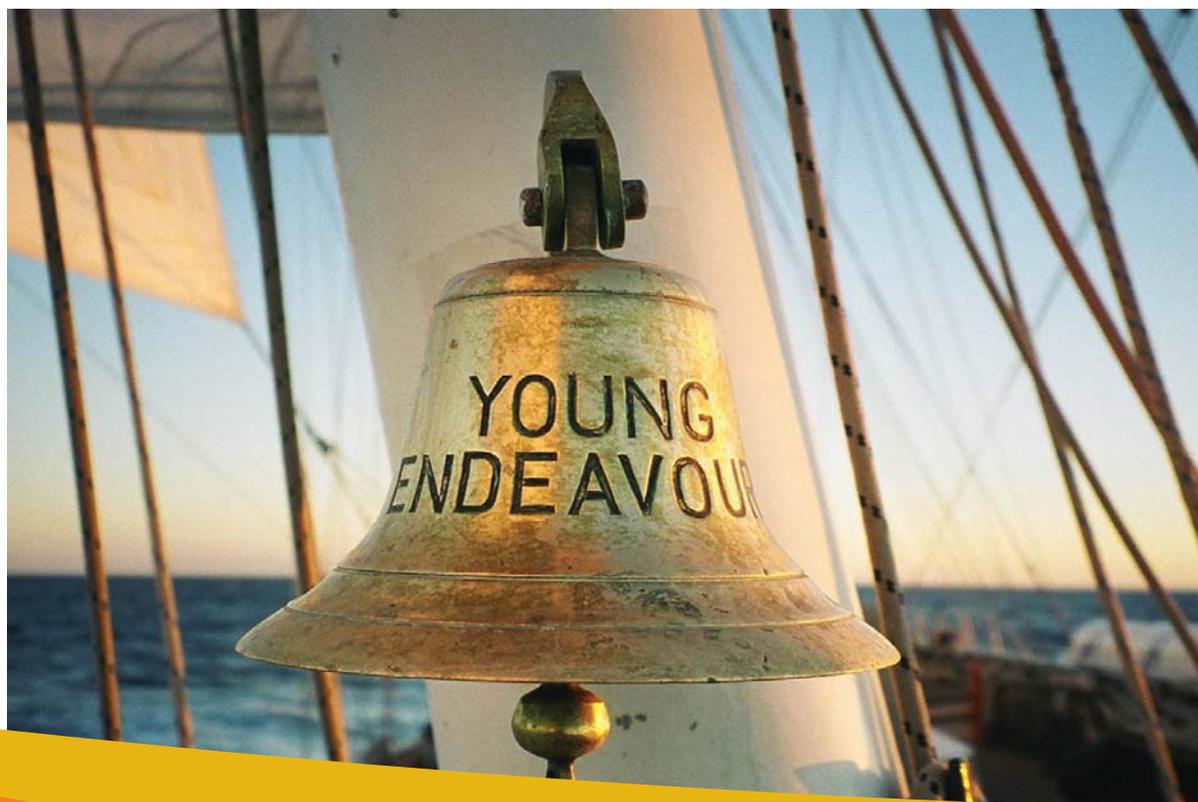

Your nominee/s don't need to be sailors, most have never sailed before. They need to be an Australian citizen or permanent resident, live within the Upper Hunter Shire area and aged 16 to 23 on the sailing date, be able to swim 50 metres and be in good health.

On board, the crew learn to sail a 44 metre tall ship on the open sea. They will be involved in all aspects of sailing from climbing the mast, setting the sails, navigating, keeping watch, taking the

helm and helping in the galley. They will be trained by a professional Navy crew who are there to ensure the highest standards of safety and care.

A Young Endeavour voyage is not a leisurely cruise. It is challenging and exhilarating. The young people will meet and live with people from across Australia, from all walks of life, some of who may become their closest friends.

By submitting a nomination for the Young Endeavour, you have the chance to provide someone with a unique, challenging and inspirational experience which will increase their self-awareness, develop their teamwork and leadership skills and create a strong sense of community responsibility.

Message from the Mayor

There are many wonderful experiences available to young people growing up in the Upper Hunter but learning to sail a tall ship off the coast of Australia wouldn't normally be one of them.

Each year with the support of individuals, businesses and community organisations, Upper Hunter Shire Council has been able to assist young people to take part in this challenging adventure.

This is not a leisure cruise but a physical and emotional journey which many past participants describe as life-changing experience.

I have heard their stories, seen the photos and read the letters of thanks they write to sponsors afterwards. The program enhances confidence, leadership and team work skills. It pushes their boundaries in a supported environment, and gives a different perspective on life with the knowledge that you can achieve great things if you put your mind to it.

I believe the Upper Hunter Shire Young Endeavour Scheme is an important opportunity for our future community leaders.

I hope you can support them through sponsorship and/or nominating a young person to participate.

Wayne Bedggood
Mayor, Upper Hunter Shire

It was amazing being out there, with no contact with the world for 11 days and escaping reality. There wasn't a day where I didn't step out of my comfort zone and this will be a memory I'll forever hold.

Do it, don't even think twice! It is one of the best programs that is offered for young people, you will get so much out of it.

- Lachlan Phelps

The feeling you get when you challenge yourself to do something outside that box just can't be bettered by anything. Plus after it all you get to call yourself a Tall Ship Sailor.
