

# Mobile Online Bidding App

## Scone Regional Livestock Selling Centre

1. You must be a Registered Bidder to use the “Scone Live” mobile bidding app
2. To register visit [www.stocklive.com.au](http://www.stocklive.com.au)
3. Click the BID button on the sale you wish to register and follow the proves
4. Once you’ve registered go to the App Store and download “Scone Live”
5. User is required to log into the app using their email and password
  - a. Bidders are unable to register through the app – you must register through Stocklive – [www.stocklive.com.au](http://www.stocklive.com.au) – You will then be accepted as a bidder and you can log into the “Scone Live” app.
6. Click Terms for sale you are interested in
7. Read Terms & Conditions, then click “Accept Terms & Conditions”
8. If the sale is not yet live through the App, waiting for the event to start will appear next to the sale time

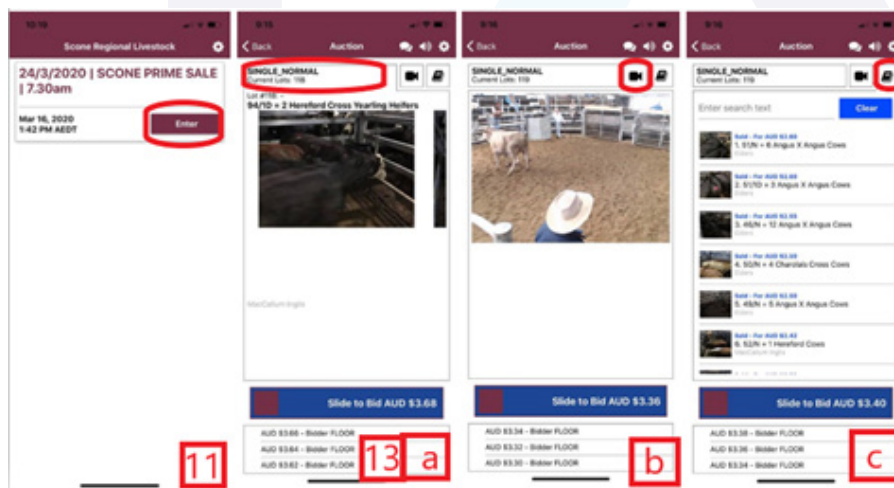

9. Select Enter for the sale you are interested in
10. You will then be connected to the live auction

# Mobile Online Bidding App

## Scone Regional Livestock Selling Centre

- Once in the auction, you can toggle between the Lot tabs to view All Lots (a), Lot Details (b) and Live Footage (c)

- To bid, Slide the Bar button at the bottom of the App
- Slide the button from left to right
- The top left button will open the Catalog to view
- View your purchases under My Purchases
- The top right button will open the chat box.
  - You can send direct message to the clerk about the sale
  - You will receive direct messages from the clerk
  - Should a BID you made have been overridden by the Floor you will be notified in the chat
